

Our Redeemer's Lutheran Preschool

It is our mission to provide age-appropriate opportunities for each child to experience learning success in a Christian setting.

We eagerly look forward to beginning school in our new facility at 3580 N. Benton Ave. in September 2012!

At Our Redeemer's Lutheran Preschool, we believe each child is unique and precious – a child of God. Allowing children to experience the joy of learning through both play-based and instructional methods, our ultimate goal is to prepare them for continued educational success.

We provide opportunities for each child's individual growth in the following areas:

- **Cognitive** – Explore & learn
- **Physical** – Our bodies are amazing!
- **Emotional** – How to share feelings
- **Social** - Spending time with friends
- **Spiritual** - God loves me!

Our Redeemer's Lutheran Preschool, established in 1999, is currently staffed by experienced, state certified teachers, who have bachelor's degrees in education. Julie Peck, the school director, also holds a bachelor's degree in education.
