

How Do I Get the Word Out?

Because we do not have a full-time communications staff person, the staff of ORLC splits these duties among themselves. This can be confusing when you are trying to get the word out about your event or project. Below is a list of communications resources and whom to contact for each:

- “ Sunday Bulletin – Lori Walter (LoriW@OurRedeemerLives.Org)
- “ Monthly Newsletter: The Voice – Lori Walter (LoriW@OurRedeemerLives.Org)
- “ Weekly E-news Email – Jason Callon (Jason@OurRedeemerLives.Org)

THE VOICE

*Therefore encourage one another and build each other up,
just as in fact you are doing. 1 Thessalonians 5:11*

My head is abuzz.

With your stories.
With the history of this place.
With people's questions and concerns.
With people's hopes and dreams for the future.
Circling and simmering and bubbling all about
are the things that have been shared with me in these first few weeks.

And add to that all that data from cottage meetings
and neighborhood meetings
and property development meetings
and transition team meetings!

Many days I feel like I'm swimming in data....
And now we have an abundance of new information to digest from the Holy Cow survey.

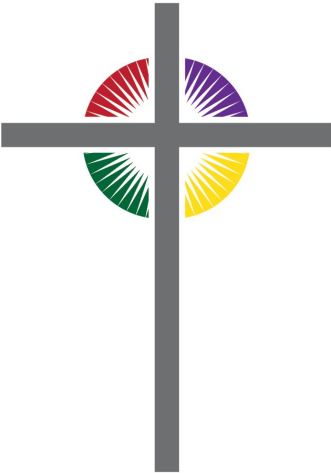

Prior to joining you, I was not familiar with the work of Holy Cow, but the results of the survey will be a great tool for the transition team as they start to tell the story of ORLC through the Ministry Site Profile they are preparing. It will be of great help as the soon-to-be-formed call committee speaks with potential candidates. It will direct the council and staff to focus on some areas of our life together that need tending.

Holy Cow primarily administers their survey to congregations in a time of pastoral transition, like we are at Our Redeemer's. Your responses were tabulated and then compared to about 2500 other main-line denominational congregations in the US who also took the survey during the past six years. Like any survey tool, it has revealed the places where we excel and the places that need our attention. By the time you read this article, I am hopeful that an executive summary will be in your hands, and we will be ready to learn together more about how to best shape our life as a worshipping and serving community. And for those who love data, let us know if you'd like to dig in deeper than the executive summary. There are pages and pages of it and a 2.5-hour presentation on how to interpret it that we'd be happy to share. Reach out to Jan Martin or me for that.

Thank you for your warm and sincere welcome these past weeks with homemade peach jam, dinner invitations, kind emails, lunch offers, coffee, and breakfast with the men's group. We genuinely feel like you are embracing us. There is much to do in the months ahead, but your willingness to listen, explore, and question is a great delight to me.

Contemplative Prayer

Who: All are welcome!

What: Most people, when they hear the word "prayer", think essentially of talking to God, a kind of monologue in which God is listening. Contemplative prayer extends this to speaking **and** listening, and the simple desire to be with God.

When: Wednesdays at 10:00 am

Where: Youth loft

Got logs?

Do you have fireplace logs that you can spare? Our Redeemer's Preschool would like to continue surrounding the playground with a log border. We are looking for logs that are 18" to 24" high and 12" to 15" wide. The logs need to be very dry so the children do not get sticky from any sap. If you have a few logs you would like to donate, please call Darbie at 449-3921. We can pick up. Thank you for supporting the preschool!

Trunk-or-Treat

October 30, 2021 1pm-3pm

Our Redeemer's is planning a socially distanced, outdoor Halloween in which members of the congregation will adopt a parking space to decorate their trunk or the area in general for families to pass through.

We will have a scavenger hunt, games, hot cocoa and cider for all to enjoy! Join us for the fun!

Questions?! Contact Liz by calling the church office at 442-7842 or emailing her at Liz@OurRedeemerLives.org

How can I help?

Sign Up for Trunk Space!

We are looking for folks willing to decorate a parking space in the back parking lot. Sign-Up using the QR code to the right. Here's what you need to know:

- Decorate your space - You can do this by parking your car and decorating your trunk, putting up a canopy tent to decorate or whatever creative fun you can come up with!
- Trunk or Treat Spaces will be alternating parking spaces to allow for social distancing.**
- Smile, wave & have a good time!

Donate Candy!

If you are unable to decorate a spooky space but would like to help in another way, consider donating bags of candy for distribution. With the whole congregation and the entire neighborhood invited, there will be a lot of candy passed out!

You can drop off **individually wrapped mini or bitesize candy** in the church office or give a monetary donation for us to purchase candy on your behalf.

HOLY COMMOTION!

Wassup with our youth?

Safehouse

High school youth, do you ever wish that there was a place that you could be yourself; a place where you could talk about your fears and your struggles and ask tough questions; a place to form lasting friendships and where you are accepted for who you are? Then Safehouse might be the place for you!

We will meet every Wednesday at 7:15pm (following Spark worship) in the youth loft. Please join us as we seek to grow closer to God and to one another!

Want to know what's the latest happenings with Safehouse?!

Follow ORLC Safehouse on Facebook to be in the know!

And if you are in need of quick text reminders about Safehouse events and happenings, you can sign up for quick text updates and reminders by texting **@safehouse2** to **81010**.

Also, email Jackie at Jackie@ourredeemerlives.org to be added to the monthly Safehouse E-news.

Christmas Wreaths

It's not too early to think ahead for the Christmas season! High school youth will be selling Christmas Wreaths again this fall. **Due to limited supply, please reserve your wreath early** by contacting a youth or signing up for one in the Great Room at the Information Desk.

Your beautiful, fresh wreath should arrive the weekend before Thanksgiving-just in time for your Christmas decorating. All proceeds will go toward the youth. Look for the sign-up sheet at the Information Desk in the Great Room or call Jackie Bartz at 442-7842.

ARE YOU COMING TO THE 2022 ELCA YOUTH GATHERING?

High school youth, are you interested in going on a fun trip, meeting new people, fellowshiping and worshipping together with 30,000+ high school students, and using your gifts and talents to do God's work? Come and find out more about the 2022 ELCA National Youth Gathering, safety concerns, fundraisers and more!

We'll meet **Sunday, October 17th at 1:00 pm in the Community Room @ ORLC.**

Youth Fundraising Opportunity with Carroll College!

Great news youth! Carroll College and Sodexo have asked if our youth group would be willing to man the concessions at Carroll football games again this fall. We would work together as a team for about 4 hours each game and raise money for all of the fun things we will do this coming year: indoor rock climbing, and especially next summer's ELCA National Youth Gathering!

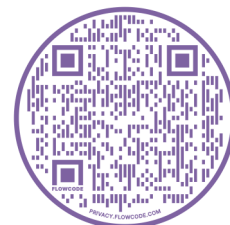

But wait! Adults, do you love hanging out with our youth and have a couple of hours to spare? We would love to have some adults hands helping with this endeavor too!

We will need approximately 7 youth and adults to work each game.

Football Games are: *October 9 *November 6 *November 13

This will be fun new way to raise money, get to know one another, engage the community, and serve others!

If you are interested and able, please sign up using the QR code or contact Jackie at 442-7842 or jackie@ourredeemerlives.org.

HUNGER TEAM NEWS

On Sunday, September 12, the Hunger Team presented this check for \$13,149.68 to Helena Food Share. This check combines your donations to the summer milk campaign, matched by a \$6,000 grant. We learned that one in five students from preschool through fifth grade receives a kid pack.

You have generously provided milk for each of these kids for the 2021-22 school year. No wonder that cow is jumping over the moon!

The Productive Community Garden

Thank you to everyone who has helped with the ORLC community garden. Thanks to your efforts and the warm and lengthy growing season this year, we have been able to generously donate many hundreds of pounds of produce to Helena Food Share.

A special thanks goes to Carolyn Meyer, who prepared the garden for planting last spring and set up a grasshopper mitigation program. Without her help, the grasshoppers could easily have consumed the garden once again. We also owe a huge debt of gratitude to Vicki Downhour, who has managed to greet the chickens, manage the cardboard and grass clippings, and organize the entire Hunger Team for planting, weeding, and harvesting. Another Shout Out goes to Jerry Hoover, chief trailer hauler and chicken coop painter. And a huge "THANK YOU" also to all those Vacation Bible School children who planted the garden and to the Hunger Team, who managed to keep the weeds at bay and harvest the vegetables on a regular basis.

By the time this news arrives at your home, the garden will have gone to rest. But feel free to donate your leaves to the garden. They will provide organic matter for the next season. Leaves may be placed in the straw bale area receiving area just south of the garden entrance.

Got Snack Bars?

We shall be collecting items for the kid packs program on a regular basis throughout this school year. During September and October, we are collecting low-sugar snack bars. Choose your favorite flavor and leave the bars in the Helena Food Share crates by the HFS display in the hallway outside the sanctuary. Your donations are a vital part of this program.

God's Love

If you have been in and about the city, you have noticed the increasing numbers of homeless individuals on our streets. Some of those individuals are unable to reside at God's Love because of drug or alcohol use. Presently God's Love has an overwhelming need for blankets, pillows and sleeping bags. Feel free to leave these items in the God's Love donation box at the church.

Sew in Love Service Group: Thursdays at 9:00am

Volunteers – We still need many hands, so if you would like to volunteer to help the day of the festival/bazaar please give us a call . Each month, the ORLC Development Planning Team will be offering an article from one of our development partners. It is our hope, that through this effort, we might come to better understand each of the non-profit partners who have joined us in this development planning process. Our first article is from Trust Montana.

Trust Montana

Trust Montana is a non-profit community land trust (CLT) that holds land for the benefit of Montana communities, preserving the affordability of homes, farms, and other vital land-based assets.

Our mission is to promote community land trusts and hold land in trust to facilitate workforce housing, farm-land affordability, and the preservation of vital community assets that keep rural and urban areas livable for Montanans of varied economic means.

We strive to ensure that public and private investments in housing and other land-based assets remain in the community to serve multiple generations.

How Does it Work?

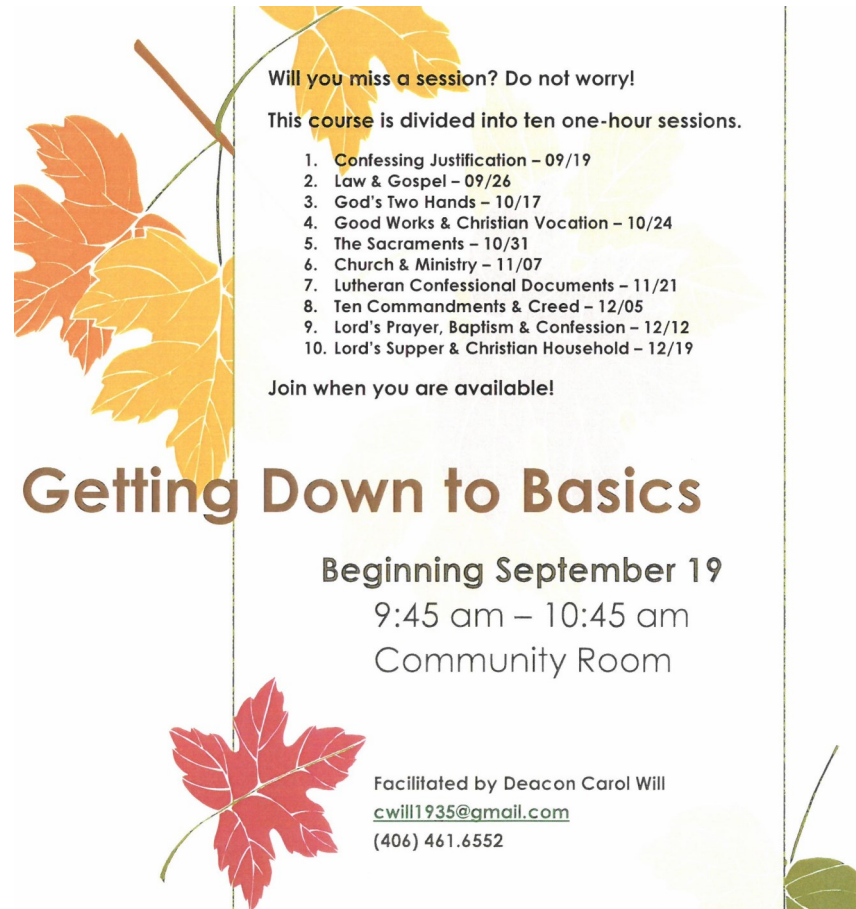

Trust Montana maintains affordability by holding the land while income qualified households purchase the homes at a price they can afford. Homes are acquired using a number of different strategies – in partnership with non-profit developers, municipalities, Habitat for Humanity affiliates, or through the purchase or donation of existing homes.

The homeowners on CLT-owned land benefit from a subsidized purchase price and agree to “pay it forward” to the next buyer of their home by limiting the equity they will earn from the home if they ever decide to move. We ensure permanent affordability by entering into a ground lease with each homebuyer that includes a resale formula that caps the equity the homeowner can earn over time. This way, the home is accessible to multiple generations of people who are generally excluded from experiencing the security and opportunities provided by homeownership. The CLT tool is utilized on a global scale, and in Montana, there are over 120 CLT homes: in Red Lodge, Belgrade, Bozeman, Big Sky, Livingston, Kalispell, and Missoula. The CLT tool helps to keep Montanans in Montana, through economic downturns and upturns.

The housing crisis in the West has been exacerbated by the Covid-19 pandemic, and most communities in Montana are feeling the effects of the ever-expanding gap between home prices and what people earn. As Montana becomes more attractive to buyers from around the globe, it is becoming even more important that we ensure there is a growing stock of homes Montanans can afford -- both rentals and homeownership units. Trust Montana is honored to take part in the project spearheaded by Our Redeemers Lutheran Church and the City of Helena. The project will address the housing crisis at a number of different levels - by increasing access to homeownership, affordable rentals, and vital YWCA services. As the community land trust that will be charged with stewarding the land to help ensure this multi-faceted project serves the community for the long-term, we are excited to stand behind the project partners as they move forward with a robust community planning process.
