I agree to share basic information with other gardeners:     Yes       No

1. I will begin plot maintenance no later than May 25th and continue through October 31st. I will clear my plot in the fall, unless I have made a prior arrangement with the Garden Manager (GM).
2. I will be respectful to other gardeners, their guests, neighbors, residents, and visitors to the garden.
3. I will be responsible for pets, guests, and children that I bring to the garden.
4. I will keep weeds and debris to a minimum and maintain the areas adjacent to my plot including pathways and fence lines. I understand that GM approval is required for use of substances.
5. If I am unable to maintain my plot, I will notify the GM and make arrangements for someone else to maintain it.
6. I understand that if my plot becomes unkempt, is abused, or lays fallow, I will be contacted by the GM and given two weeks to remedy the situation. If the issue is not resolved within that time period, I understand that my plot will be reassigned or tilled in and no refund will be given.
7. I will not plant perennials (plants that live more than one year) unless approved by the GM. (examples: horseradish, raspberries, Jerusalem artichoke, horseradish, and mint)
8. I understand that my garden plot is watered by a garden wide irrigation system which waters on a timed rotation in order to maintain water pressure and effectively water the entire garden. I agree to not adjust or change this irrigation system without first consulting with the GM.
9. I am invited to volunteer hours towards the Helena Food Share plot through planting, weeding, harvesting, and clearing the plot in the fall.
10. I understand that the garden property owner is not responsible for my actions. I therefore agree to hold harmless the aforementioned entities for any liability, loss, damage, or claim that occurs with any use or product of the garden by myself or my guests.

***I have read, understand and agree to the rules, terms, and conditions stated above.***
