## LUTHERAN CHURCH

### THE VOICE

April 2022

#### Random things, all of which are very important!

Some months my *Voice* article has a clear central point. This month it is a hodge-podge of good news and things to look forward to.

#### Prayer ministry expanded

If you'd like to be part of the expanded prayer ministry of Our Redeemer's, email Lori at [LoriW@OurRedeemerLives.org](mailto:LoriW@OurRedeemerLives.org) or give her a call in the office at (406-442-7842).

An active prayer ministry is a strong source of connection in a congregation, as we walk with one another in times of need and rejoice with our sisters and brothers in times of joy. This is a ministry that everyone can be involved in - no experience needed!

In addition to increasing our care for one another, we are now able to use technology that provides us with increased data protection and confidentiality. Thanks to Roberta Carey, who for many years has sent out prayer requests through the Women of the ELCA's prayer chain, and who will still be reaching out via the traditional "phone tree" to those who aren't online.

Prayer requests can be sent to [Orlc@OurRedeemerLives.Org](mailto:Orlc@OurRedeemerLives.Org) or give Lori a call.

#### Potluck and Open Forum on April 3

As I mentioned the Sunday we returned to coffee and cookies after worship, coffee and cookies are all well and good, but what we really need to get back in the swing of things is a good old-fashioned potluck. Sunday, April 3 at 12:15pm, we will gather to feast. And so we don't wind up with only salads and no sweets: A-H bring a main dish, I-M bring a salad, and N-Z bring a dessert.

We will also join in a time of conversation hosted by the Generosity Committee (formerly called the Stewardship Committee). At this Open Forum, one of the primary topics will be our next steps as the *Join the Journey* campaign formally comes to an end. We will get an update on the status of the mortgage and our general financial health. Folks involved in the property development project will be present to answer questions, and we will check in on the progress of the Call Committee as they seek our next pastor.

Calling all Our Redeemer's cooks and eaters: Don't miss this time of fellowship!

**EMBRACED BY GOD'S LOVE WE REACH OUT TO SERVE BECAUSE OUR REDEEMER LIVES**

## Holy Week 2022

Holy Week is filled with drama.

From the joyous shouts of *Hosanna!* on Palm Sunday  
to Jesus' teachings on the meal we share  
and our call to serve one another on Thursday,  
to the horror of the crucifixion on Friday,  
and finally that empty tomb of Easter morning.

This year we will be employing storytelling for all of these services.

Our youth will lead us on Palm Sunday

as we remember the hope that Jesus brought.

Student Pastor Baird Linke will draw us to the Garden of Gethsemane  
and the anguish there on Thursday.

Kevin Mathews will bring us back to that first Good Friday  
in the character of Peter.

And I will share with you a modern retelling of what Jesus' life, death  
and resurrection mean for us on Easter morning.

Come join us as we once again hear the story that changed the world.

### Baird Linke's internship assignment and upcoming farewell

Thanks to all who prayed for Baird and his classmates as they discovered where they'd be spending their seminary internship year. Baird will be with the people of Lord of Life Lutheran Church in Chagrin Falls, Ohio, beginning in August. (Lucky them.)

We have been so blessed by Baird's presence with us in this time of transition. It was a true work of the Spirit that he was here in Helena and available to help us after the departure of Pastor Kendra.

Baird's final Sunday as our student pastor will be May 8. Please join us that Sunday as we thank him, bid him farewell, and send him with our blessings.

### Shawn Juer's call to ordained ministry

And as if one excellent seminary candidate wasn't enough, we rejoice with the Juers family as they announce that Shawn senses a call to ordained ministry and will begin seminary this fall. Sara, Addie, and Kaden will be part of this adventure as the family heads to Dubuque, Iowa, and joins the Wartburg Theological Seminary community. Please hold the Juers in prayer as they look ahead to this new time in their lives, and watch for more information on how you can help support them. Later this spring, we'll hear more from Shawn himself on how he's experiencing the Spirit's call.

So much good news and things to look forward to. The Holy Spirit is working mightily in our midst right now, people of God.

## Our Seminarian

Baird Linke

**Did you know** ... that there is a platoon of "old guys" who meet for an hour or so every Wednesday morning and talk about any issue that comes to mind. Recently we talked about all the people in our church who willingly volunteer to do activities that enhance the many ministries and thereby our mission. However, you might not know it because they work behind the scenes and do not seek, or need, any acknowledgement. So, each month one of us interviews one of these folks and shares the little known facts with you.

**Did you know** ... Bruce and Judy McMaster coordinate the preparation of the monthly mailing of this Voice newsletter? They do this while coordinating 18-20 volunteers to produce the monthly Kid Pack's ministry. Additionally, they are hosts for the Family Promise families, and they recently volunteered to set up and take down the equipment needed to host the Family Promise program at ORLC. If that wasn't enough, they increase their giving presence by being the long standing ORLC liaisons with God's Love.

**Did you know** ... that those are just the "indoor" ministries for Bruce and Judy. Moving "outdoors" they maintain 25% of the Benton Boulevard, and weed the garden as members of the Hunger Team.

Bruce and Judy enjoy doing all these activities with others, too. So, call them if you would like to join them anytime at 465-7118.

### Grief Support Group

We will meet on the 2<sup>nd</sup> and 4<sup>th</sup> Sundays in January. We will continue to meet in the Conference Room between the first and second services. For those wishing to join the group or receive more information, you can contact Jane Peachey at 234-567-1461 or email [jepeachey60@gmail.com](mailto:jepeachey60@gmail.com). For those of you who do not know me, I am a retired hospice social worker and bereavement facilitator. I have retired my licenses as well, so anyone desiring formal counseling should explore available resources. I welcome phone calls and hope to journey with you through your grief if you desire the support.

### Caregivers Support Group

What is it? A support group for those who are caregivers for loved ones

When will it meet? We will meet on the fourth Monday of each month at 7:00pm in the Conference Room.

What will be provided? Caregivers will meet to share experiences and information and pray together.

Please contact Lori Bigwood-Pecarina at 406-672-2470

Dear brothers and sisters in Christ,

As the Fiscal Year for the Montana Synod has come to a close, on behalf of the Synod Council and the whole Synod, thank you so much for the generous giving that you and your congregation have provided for the work of the Montana Synod in 2021! We are awed and inspired again by the ways that the congregations in northern Wyoming and Montana have given generously!

Here are ways that Mission Support has equipped the Montana Synod to do ministry:

- There are 11 congregations who have called and installed new pastors in the Synod in the last year.
- There are 8 congregations who have been participating in the Faithful Innovation process.
- There are 20 members of congregations who are finishing up the Lay Pastoral Associates training and 21 more who will begin the LPA training in April.
- There are 9 people in the Synod who are in the ELCA Candidacy process (attending Seminary) to serve as rostered leaders in the ELCA.
- There are about 25 leaders in the Synod who have been participating in some aspect of leadership development, either through Excellence in Leadership, Thriving Leaders or Coaching.
- Colter McCarty, from the Synod staff has assisted 37 congregations in the Synod with technology support over the past year.
- There have been 5 congregations engaged in the Fed By Ravens pilot process on stewardship and generosity.
- And so much more!

Thank you! The Synod's budget came in at about 97% of the budget. You have all done so much as you have been church together, equipping one another for the ministry of the Gospel!

The Montana Synod Council, Bishop Laurie Jungling, and Synod staff

Dear Our Redeemer's,

I wish to thank all the friends at our church who remembered me on my 100th birthday.

I'd have liked to have a big celebration, but the virus has changed many things.

I pray for all of you and that Our Redeemer's will grow & prosper, bringing many to know the Lord.

Love to all,

God Bless,

Phyllis Bauer

## DPHHS Launches New Office to Engage Faith and Community Organizations

[Department of Public Health and Human Services \(DPHHS\) Director Adam Meier announced today the establishment of a new office to strengthen partnerships with faith and community organizations, which will expand the department's ability to connect more Montanans to services and promote resilient families.](#)

**"We know that faith and community organizations play a fundamental role in supporting holistic health and wellness, as well as self-reliant individuals,"** Meier said. **"We aim to further partner with these organizations, including by providing information and resources about programs that serve all Montanans and better involving these organizations in the work that we do."**

[The Office of Faith and Community Based Services](#) was established as part of the Gianforte administration's sweeping department reorganization and is headed by Tracy Moseman.

[Moseman previously led health and safety initiatives at the Office of Public Instruction \(OPI\) in several positions, including her most recent role as Chief Program Officer. Prior to joining OPI in 2014, she spent 13 years at the community and school district level in student support services.](#)

**"With a passion for helping students and families, Tracy is committed to supporting Montana families and communities and brings a wide network of relationships, experience, and understanding of faith and community organizations to this position,"** Meier said.

He also noted that the organizations are pivotal in promoting the wide variety of resources and initiatives offered by DPHHS, including supports for aging Montanans, suicide prevention, foster parent recruitment, substance use prevention and more.

Moseman said the office will serve as a conduit between DPHHS and faith and community organizations across the state, creating a two-way flow of information, resources and programs to serve the identified health and wellness needs in each community.

**"Through effective collaborations, it's my overarching goal with the office to expand resources and strategies for effective prevention and intervention to improve health outcomes for all Montanans,"** Moseman said.

Moseman noted that one in four individuals who seek help for mental health turn to faith leaders before they seek health from clinical professionals.

She said because faith and community organizations hold community trust, they naturally play a fundamental role in sharing local information. In fact, the federal Substance Abuse and Mental Health Services Administration identifies eight components of wellness, with spirituality being one key component. Faith communities often provide supports to people in their communities to enhance emotional, financial, social, occupational, physical, intellectual, and environmental health. Examples include helping with housing, food, and clothing needs, as well as accessing mental health and substance abuse services and supporting survivors of trauma and violence.

Montana Catholic Conference Executive Director Matthew Brower said the faith community, in general, is often heavily involved in connecting people to services, especially in times of crisis. **"In many instances, we are all serving the same individuals and without regard to religious affiliation,"** Brower said. **"In the end it's all about helping people, building relationships and getting those in need connected to critical services. I look forward to growing this partnership and am excited about its potential."**

[While the Faith and Community Based Services Office is new to Montana, the concept has long existed in other states with federal support and successful outcomes. The U.S. Department of Health and Human Services' Center for Faith and Opportunity](#) exists to support states in the integration of faith and community partnerships when addressing health and wellness at the community level.

In addition, faith communities can serve as important catalysts in strengthening healthy families. Practical family lifestyle shifts such as eating dinner as a family, reducing screen time, and increasing family communication can be promoted and encouraged through faith and community organizations as no cost strategies to impact overall physical and mental health, reducing long term substance use and other risk behaviors in youth.

At the new [FCBS website](#), Montanans, faith and community organizations, and other stakeholders can receive updates, program information, and access to training and supports by subscribing to a monthly e-mail newsletter.

The Our Redeemer's Lutheran Church Council met on Tuesday, March 15, 2022 at 6:00 pm. Present were: Pastor Trina Johnsten, Lynn Voss, Kevin Mathews, Cody Salo, Jan Martin, Beth Johnson, Tom Johnson, Tracy Moseman, Julie Penner, and Clint Mingay. Absent were: Ingrid Childress and Carolyn Meyer. Visitor: Sarah Magee. Pastor Trina opened the meeting with prayer and a devotion. She asked for single words describing what we hope for ORLC; responses were: growth, harmony, vitality, and joy.

### Water Rights Report

ORLC members Bonner Armstrong, Jerry Hoover, and Ryan McLane (a water rights attorney) presented findings of an investigation into the status of ORLC's water rights ownership. ORLC owns water rights associated with a well on our property, but they should be expanded up to a program default threshold. All surface water rights were assigned to the seller in the original land purchase agreement, but official state records still assign a portion to ORLC. Ryan volunteered to prepare and submit documents required both to expand the well water rights and to coordinate state surface water rights records with the original purchase agreement. Council authorized him to do so and approved payment of fees, which are expected to be minimal.

### Perpetual Funds Overview

Jim Penner provided an overview of the endowment funds managed by the Perpetual Fund Committee. In total, the funds hold approximately \$350,000, and interest from this amount is paid out as requested and according to fund policies. Council approved Karen Caplis as a new member to replace a vacancy on the Perpetual Fund Team.

### Financial Report

Building Fund donations for February were \$8194. Our monthly goal is \$10,933. Council directed that the monthly mortgage obligation be paid using the February Building Fund donations plus \$2740 from cash reserves. General Fund donations were \$40,920 with a calculated benevolence of \$2041, which will be sent at a later date. ORLC's cash flow varies from month to month, with February often being a low month, followed by higher months in March and April due to the extra services in Lent and Holy Week.

Sarah reported that an ORLC member is planning to sell some property and donate a portion of the proceeds to the church. Because ORLC is listed on the deed as a partial owner, Council approved Lynn Voss, as Council President, to sign sale-related documents on ORLC's behalf.

### Ministry Team and Committee Reports

#### Pastor Trina

Pastor Trina and members of the staff submitted written reports summarizing their ministries' ongoing and planned work. Pastor Trina reported that she and the executive committee of the council have identified and will implement specific changes to the ORLC prayer ministry to better safeguarding sensitive information and increase participation opportunity. The first prayer request will go out via email on Wednesday, March 16<sup>th</sup>, to the current e-

news distribution list. It will include a button for opting in to future emails from the prayer ministry. Council enthusiastically supported these improvements.

As part of ongoing efforts to improve outreach, ORLC staff published a Facebook "event boost" for Lenten Holden Evening Prayer services. This targets Facebook members who live near ORLC and have similar interests or events that they've put on their own Facebook pages. Staff also plans to send out a postcard detailing ORLC's Holy Week worship opportunities to households near ORLC.

#### Property Development Team

Cody announced that the project's architect consultants are reviewing certain design features in light of comments received from a February presentation hosted by the City of Helena.

#### Generosity Team

The Generosity Committee has been conducting cottage meetings with select church members to share information about the conclusion of the *Join the Journey* campaign, plans to continue supporting the Building Fund, and ORLC activities and plans. The meetings have also provided important feedback to church leaders. A church-wide presentation and pot-luck lunch is scheduled for Sunday, April 3<sup>rd</sup>.

#### Preschool

The Preschool Board plans to make an offer for the Preschool Director position. Council authorized members of the Preschool Director Search Committee to make a final hiring decision.

#### Money Counting Ministry

Although the [Money Counting Ministry](#) has gained some additional help, more is needed to fill gaps and create a more sustainable level of commitment required of ministry members. A new ministry coordinator is also needed.

#### **Old business**

Covid risk is 'Low' in Lewis & Clark County according to CDC guidelines. Accordingly, all Covid-related restrictions and protocols have been removed from ORLC activities and building usage.

ORLC will be hosting Family Promise the first week of May. Program participants will stay at the church for the first time since Covid restrictions first became effective.

The new electronic door opener is functional, and final wiring will be completed soon.

Sarah is continuing to investigate optional replacements for the church's phone system, replacement parts for which are difficult to find due to the system's age.

Respectfully submitted,

Kevin Mathews, ORLC Council 1<sup>st</sup> Vice President  
(preparing 3/15/2022 Council Meeting Minutes in the absence of the Council Secretary)

 MARCH 2022

**2021 at a glance**

We sheltered 24 families in 2021

Our new Prevention and Diversion program served 30 families from May until December. We anticipate serving 60 in 2022. We are still working on starting our Transitional Housing program with guidance of National Family Promise and following other affiliates Transitional Housing program that are in use. We have not found the space that we need for this program. If anyone has any leads on a place that could shelter 4 (or more) families in a transitional environment please contact Renee.

We continue to provide aftercare for our program graduates; many of them use the services which include additional support, case management and emergency assistance should they need it.

A huge thanks goes out to First Christian Church for their ongoing holy hospitality in hosting our families through the entire COVID time. Without their generosity Family Promise could not have helped the families we did. The Volunteers who graciously helped with overnight hosting and food are to be commended. You all gave of yourselves in a difficult time, and that graciousness did not go unnoticed. We sincerely appreciate you all, and the families realize you risked health and gave of yourselves in truly generous ways. What an amazing testimony in your faith.

**Looking forward**

As we look forward to spring, we are anticipating providing Easter baskets to our children, outdoor activities and enrolling our kids in Camp Child. We are working with the Y to keep it cost effective for us; this is not a line item in the budget so will need additional funding. The cost is \$190 per child per week. If you want to sponsor a kid at camp please let Kimberly know.

Also needed - Boy's bike with training wheels (3 year old) and one for a 13 year old (adult bike), basketball, jump ropes, sidewalk chalk or any type of outdoor activity!

## Family Promise Returns to Our Building

The week of May 1-8, we shall once again host Family Promise guests in our building. This is an exciting time for our congregation, as we have not had these folks in our building for over two years. We look forward to welcoming them once again into our space. We are in need of both trained and untrained assistance in order to make our guests feel welcome. We shall need evening hosts (from about 5-8pm), overnight hosts (from 7pm to 7am), dinner meals (delivered to the Day Center midday), and folks to set up the rooms on Sunday, May 1 and dismantle them again on Sunday, May 8. If you missed the Zoom Family Promise training on March 31 but still wish to participate, please contact Kathy Olson ([kathyolson8686@gmail.com](mailto:kathyolson8686@gmail.com), 406-431-8686), our Volunteer Coordinator. Kathy is also happy to answer any questions you may have about participating in this worthwhile mission of our congregation.
