# OUR REDEEMER'S

## LUTHERAN CHURCH

### THE VOICE

May 2023

Once upon a time, in a valley surrounded by sentinel Rocky Mountains, a dedicated group of people known as Christians lived out their faith in a community called Our Redeemer's Lutheran Church.

The stories we tell ourselves, so I've heard, are important. A great deal of "reality" actually exists as stories in our heads. This is not to say stories aren't true; they generally are, even if rarely are they completely factually accurate. At the very least, "reality" is colored by our perceptions, which are influenced by myriad factors stored as stories in our minds. These perceptions, then, determine how we respond to our circumstances. Our responses, in turn, help shape our circumstances. You can see how circular and interconnected it all is.

Here are a few of the stories I associate with Our Redeemer's:

- As Christians, we have inherited a very powerful story, one that defines us. To the degree we allow it, it becomes central to our personal and corporate stories and, therefore, can and should shape our circumstances. That story, of course, is the Gospel, the good (exceedingly great!) news of God reconnecting us to the source of life through God's embodiment, death, and resurrection as the God/man, Jesus. From this meta-story, all other stories flow. It frees us from death and, therefore, from fear, liberating us to live in joyful communion with God and each other.
- We are children of God, created by God, made in God's image. Each one of us is loved beyond measure by the Creator of all things, regardless of anything we do or fail to do. And we do fail - a lot. But that doesn't matter because we aren't loved for what we do; we're loved for who we are.
- As inheritors of the Gospel story, we are also stewards of that story, with a responsibility to protect it, live it, and lavishly share it. So we take Jesus' last command to his gathered followers seriously: *go* and make more disciples. I personally believe this is the foundational purpose of Our Redeemer's and all other churches bearing the name of Christ. God's love heals and makes all things new. That is the nature of God, and God has chosen us to bring that Spirit to all the parts of the world in which God places us.

- We are people who strive to understand God's great love for us - a love that surpasses all understanding - and to respond in love. That loving response takes many forms, including worshipping together; praying; caring for each other; helping one another explore and understand and deepen and exercise our faith; sharing our stories, gifts, cares, and joys with one another.
- Our story is a beautiful, vast, living mosaic of innumerable stories of lives lived in relationship with God - past, present, and future. Though most of those stories will remain a mystery to us, on this side of heaven, many of them from the past have shaped us. Some of those stories we hold particularly dear, including those captured in the Bible, stories told by Luther and his successors, and the stories of those who founded and nurtured Our Redeemer's. We are privileged to add our own stories to all who have gone before, all who share this moment in time with us, and all who will come after us.
- We are God's presence in this world, partners in God's ongoing work of renewal, healing, and redemption. We are servants and co-creators, overflowing vessels of God's Spirit.
- We are an example of the present and coming Kingdom of God. We're a laboratory and a model for how God intends for us to live together as fellow humans. We are the city on a hill and the salt Jesus spoke of. We have the cure for the sickness that inflicts all of creation.

I wonder what stories are especially important to you in shaping the way you perceive our church. How do those stories affect the way you engage with and contribute to Our Redeemer's? Those aren't just rhetorical questions; I really would like to know. You can email me your thoughts at [president@ourredeemerlives.org](mailto:president@ourredeemerlives.org). In closing, here's one of my stories - a story of being blessed to be a part of a community with so many loving and generous people like all of you!

## In the Garden

Ah, Spring, when the ground turns to mud and gardeners turn impatient. If you are looking for some soil to cultivate, you should rent a plot in the Our Redeemer's Community Garden! Plots rent for \$25 (scholarships available) and come in a variety of sizes. Maybe garden with a friend who can weed while you are on vacation. Watering and tools are provided, mentoring is available - why not try it? Want more details? Contact Vicki at [greenxena@msn.com](mailto:greenxena@msn.com). Ready to commit? Garden agreements are available from either Vicki or Lori, in the church office.

Thank You to Boy Scout Troop #4207 for their commitment to help in the Our Redeemer's Community Garden! They will cultivate a portion of the Helena Food Share plot. If you belong to a group that could serve in this way, or if you would like to help maintain the garden, please contact Vicki at [greenxena@msn.com](mailto:greenxena@msn.com). Zero expertise is required. Hunger Team needs more gardeners to continue this mission!

Maybe you are not the gardening type, but you want to support the mission to provide fresh produce to Helena's food-insecure citizens. You can contribute to the garden fund! There is a special 'Community Garden' tab on the online giving page, or you can drop off a check in the church office.

Finally, check your garage (or wherever you stash treasures) for tomato cages you don't use, walls of water, or anything that could be used as a robust, 5-foot stake for our substantial tomato plants! If you have anything that you believe may be useful, please contact Vicki.

## Make the Udder Difference for Our Neighbors

The summer milk campaign will launch on Sunday, May 14. Pick up your milk bottles to hold all that loose change throughout the summer. Once again, our goal is to provide enough money to purchase all the milk for the kid packs program for the 2023-24 school year. Our goal for the summer is \$7000. The Hunger Team is still working on matching grant funds and should hear about those requests sometime before the campaign ends on August 31. We remain confident that each dollar you donate will be matched by other community partners.

## KID PACKS

A HUGE "THANK YOU" FOR HELPING BUILD KID PACKS. April 18 wrapped up the assembling of Kid Packs for the 2022-23 school year. None of this could happen without the amazing volunteers from our church. What faithful servants they are! This year volunteers from Our Redeemer's volunteered a total of 510 hours and assembled 25,592 bags, which filled 3199 crates. Bruce and Judy McMaster, and the entire Hunger Team send a huge shout-out to everyone who helped make this possible on those first three Tuesdays every month at Helena Food Share. All of you are truly a blessing.

## GOD'S LOVE

THANK YOU for your continued support for God's Love. Spring is here, and with warmer weather, folks tend to move to the hills or outside to enjoy the outdoors. As of now, God's Love has 15 men's beds filled and four women's beds filled. God's Love requires that all residents be employed full-time. With warmer days soon to be, God's Love could really use the following:

lighter weight spring/summer jackets	sweatshirts {men & women}	rain jackets or ponchos
summer weight socks	small first aid kits [in high demand for those staying outside]	
hygiene products	bleach	

Blessings to each and every one of you for your incredible generosity. It is appreciated by the Hunger Team and God's Love.

## Family Promise

Thanks to all who helped to make our Family Promise guests feel welcome at the end of April. Your hospitality makes a huge difference to homeless families in our community.

And now for a special time of fun and recognition for all of you who have volunteered with Family Promise in the last year:

**You are invited to an ice cream social at Our Redeemer's on May 23, 6:30pm.**

If you have ever helped to set up rooms, prepared a meal, served as an overnight host, done the laundry, or hauled a trailer, you are part of the team.

Plan to join us for ice cream and a huge "THANK YOU!"

## GRIEF SUPPORT GROUP

This month's grief group will meet in the conference room on May 21<sup>st</sup> between services. All who would like a welcoming place to share their grief journey are welcome to join us. We will discuss summer schedule. If you have questions please call Jane Peachey 234-567-1461 or Lori Bigwood-Pecarina 406-672-2470.

God's Peace,  
Jane Peachey.

## CAREGIVER'S SUPPORT GROUP

Caregivers share the gift of love on a daily basis. Our support group seeks to be a safe place to encourage and uplift those who provide for loved ones.

Please join us on Sunday, May 28<sup>th</sup> at 10:40am in the Conference Room next to the church offices. Lori Bigwood-Pecarina (406-672-2470) and Jane Peachey (234-567-1461) lead the group. We welcome your questions and calls.

## Knitters for Peace

Are you a knitter? Would you like to learn how to knit? Knitters for Peace meet each Tuesday morning, 11am-1pm, usually in the Conference Room. (Otherwise, follow the noise and laughter until you locate this joyful group.) They knit for such charities as Lutheran World Relief, ORLC Shawl Ministry, the Giving Tree at the Cathedral of St. Helena, and the Red Scarf Project sponsored by the Department of Health and Human Services. They also regularly provide knitted items for reservations, those in psychiatric facilities, and other local organizations.

The group always welcomes new members. If Tuesdays do not work for you, you will find this same group knitting away at Scenic Brew on Saturdays, 1-3pm. If you have questions, feel free to contact Linda Nelson at 406-422-3751.

P.S. Crocheters are also welcome.

The Associate Pastor Call Committee would like to thank all of you who attended our information-sharing sessions at the end of April. We feel comfortable that we have received some additional, valuable input from all of you regarding the traits/skills/talents you hope our Associate Pastor candidate will bring to the table for Our Redeemer's Lutheran Church. We plan to incorporate this additional information into the Ministry Site Profile and send it off to the synod in the next couple of weeks so that the synod can begin their work.

Additionally, we heard some concerns about the 'strictness' of the Call Process as was defined. We all know that change is inevitable, and this process is probably a bit different than previous call processes some of you may have been involved with. We plan to let the Holy Spirit guide us and follow this more rule-based process unless we encounter difficulties. Then, just as with Pastor Trina's call, we will utilize our resources within our church and the synod to ensure the positive results we seek.

If you recall from the Call Process document shared at the Information sharing sessions, much of the work after that submission will be with the synod. As a Call Committee, we do have a couple of items to work on while the synod does their search. One of these items is to develop our interview questions, but the second item also impacts you. We will be opening up the nomination process to the congregation so that if you are aware of a pastor somewhere that you think would be an ideal fit and a great colleague for Pastor Trina – we would like to forward that information to the synod. There will be a form included with the bulletins in May (14th & 21st) so that if you feel so inclined to nominate an individual, you will have the opportunity to do so. Anyone responding to the request will be asked to provide a certain level of detail about the nominated pastor so the synod will be able to identify them and contact them directly. Please do not contact the nominee personally. That is the role of the synod office.

Thank you for your continued prayers.

The Perpetual Fund Committee is pleased to announce that grants and scholarships are available for qualified applicants and projects from the Our Redeemer's Lutheran Church Perpetual Fund and Seminary Scholarship Fund for 2023.

Awards from the Perpetual Fund are intended to enhance certain Our Redeemer's missions and ministries which have not received funding from the general or designated church giving. Examples of eligible activities include:

- 1. Missions of the ELCA at home and abroad, including professional leadership, educational ministries, global mission, and social ministries.
2. Outreach into the community, including grants to campus ministries, social service agencies, and special programs in our parish area who are in spiritual and/or economical need.
3. Scholarships or grants to members of ORLC for church-related education or church related leadership conferences, or such other training which enables members of this congregation to grow in Christian faith and service to God's people.

Seminary scholarship funds are available to Montana Lutheran students in good standing from local area churches who are enrolled or attending an ELCA seminary.

Call 406/449-2877 for additional information or clarification. Perpetual Fund electronic applications are available on the church website and must be submitted electronically to loriw@ourredeemerlives.org or jamesrpenner@gmail.com by May 26, 2023.

Financial Review

Donations for the Ministry Fund during March were more than \$18,000 below the budgeted ministry plan for the month. Because the biannual property tax bill is due in May, the Council voted to withhold benevolence (\$1580), building fund (\$10,933) and dedicated fund (\$2382) payments for this month. Those payments will be paid at a later date.

Ministry Reports

Full reports were received from all staff. Pastor Trina continues to work with worship staff and other committees during this time of her recovery. The Council expressed its deep appreciation to all staff members who have assisted during this time and made plans for a special time of recognition for the staff early in May.

The preschool is almost full for the fall semester. In response to parental concerns about security, the preschool board decided to lock the outside door during school hours and provide a phone number for entry. Other safety and security matters will be addressed in the upcoming months.

## Did You Know?

**Did you know...** There is a team of “older guys” who meet for an hour or so every Wednesday morning to discuss any issue that comes to their mind. They often talk about folks in our church who willingly volunteer to do activities that enhance the many Our Redeemer’s ministries and our mission. However, you might not know some of these folks because they work behind the scenes and do not seek or need any acknowledgment. So, each month one of us interviews one of the folks that come to mind and shares with you some little-known facts about them.

**Did you know...** Charlene and Jerry Mayala were married by Pastor Lowell Anderson in 1995. Since then Jerry has referred to Charlene as a “professional volunteer.” Here are some reasons why.

Charlene (and Jerry, too) have been members of the Our Redeemer’s choir since they joined the church. During this time, Charlene has also been a member of the Worship Committee. She was instrumental in securing a grant that created the Worship and Arts director position and advocated for continuing the position with church funding after the grant funds elapsed.

During her extra time, she became close friends with Delores Rosin. She asked Delores to show her around the kitchen and teach her the “how to” of church kitchen operations. Charlene said Delores was the best mentor she could have asked for and that a lovely, lasting relationship has evolved from their shared devotion to Christian hospitality.

Charlene has been a member of WELCA (Women of the Evangelical Church of America) for ten years. Most notably, she has been a servant leader in the planning and execution of the annual bazaar, which raises funds for many, many extracurricular activities associated with Our Redeemer’s Lutheran Church ministries.

As a member of the Altar Guild, Charlene was often involved in the design and equipping of the sanctuary and continues to assist with updating the altar supplies as needed for various seasons and activities.

Vacation Bible School was one of Charlene’s true loves. It was common to see her and other volunteers preparing ideas and props for each VBS season. Her creativity and enthusiasm were contagious.

She has been a specific team coordinator for every Capital Campaign the church has conducted since deciding to relocate to Benton Avenue. She is remarkable in recruiting volunteers for the team function for which she was the team leader. As she puts it, I have a knack for “cold calling for God.”

If you would like to get ahead of getting the “cold call” please call Charlene at 406-465-0956 and volunteer to engage in any of the current activities noted above.

**Come to The Water** 

Baptism Class at Our Redeemer’s

*Everyone who thirsts, come to the waters!*

Interested in baptism? Please let Pastor Trina know! We offer a one-hour session during which we discuss what Lutherans believe about baptism and go through what happens in the baptismal rite. These sessions are scheduled at a mutually agreeable time. Pastor Trina can be reached at [trina@ourredeemerlives.org](mailto:trina@ourredeemerlives.org) or 406-442-7842.

**HOSPITALIZED? LET US KNOW...**

We have a caring group of individuals who are happy to visit hospitalized members. The hospital staff is not currently asking religious preference or church membership on admission. Please notify the church office if you, your family, or friends are hospitalized. We want to be a part of your healing process.

At a meeting held March 13<sup>th</sup>, the Helena City Commission voted to allot \$1.58 million of their ARPA (American Rescue Plan Act) funding to the Our Redeemer's housing project, an application brought to the commission by Rocky Mountain Development Council (RMDC). This is a very generous commitment by city government to our project, which is encouraging, and thank you letters have been issued by the church council to all commission members and the mayor.

While this is an encouraging start, the allotment does fall short of the \$2.4 million that was being requested to cover property acquisition and the installation of Horseshoe Bend – both necessary steps in preparing the property for development. This means that Our Redeemer's and our housing partners are seeking and assessing solutions for getting close to this \$2.4 million mark to kick-start the project. Our housing partners have begun discussions with county commissioners to see if there might be an opportunity to gain financial commitment from the county to pair with the city's commitment. The county is currently assessing whether they will be soliciting external funding requests from community organizations for remaining county ARPA funds. Information on eligible projects and the application process through the county are expected soon.

The Property Development Team is hopeful that we will know more about subsidized funding by this summer sometime so that the church can begin negotiating the property sale. Any negotiated sale of the property will require approval by congregational vote. If negotiations are successful, RMDC (acting as lead developer) would be granted permission to take the project through the subdivision process which is required before final sale of the property can happen. The subdivision process is expected to take about one year, after which time the property would be sold to RMDC for development. It is expected that, following the sale of the property, the Property Development Team would continue to act in an advisory/partner role as RMDC further develops the plans for affordable housing on the property.

Over the last couple of months, members of the Property Development Team and our housing partners have also been in negotiations with Northwestern Energy. Northwestern Energy is currently under obligation to replace the high-pressure gas line that runs across the ORLC property. While a number of options for where to locate the replacement pipe were considered, in accordance with the civil engineer's recommendations, we have elected to have NWE replace the pipe just 15' north of the existing pipe location. The corresponding 30' easement for the pipe will be revised after installation to keep the pipe at the centerline of the easement. This will require some rework of the concept housing layout completed for the PAR (Preliminary Architectural Report), but will ultimately be less impactful to the project than routing the line along the Horseshoe Bend right-of-way would have been. You will see construction of this replacement gas line taking place this summer. It is likely that the southeast corner of our parking lot will be removed during the construction process. It will be replaced by NWE after completion of the pipeline installation.

The Property Development Team includes the members listed below. If you have any questions about the development planning, please reach out to one of these team members.

## Greetings From Preschool!

We cannot express enough gratitude for the generous support of our preschool. The Silent Auction garnered an unprecedented \$4,100!!! This, along with all the support given to our other fund-raising efforts this year, has been tremendous and is so very helpful to our preschool program. Those volunteering with Lunch Bunch, in our classrooms, and bringing in books, toys, etc., are all invaluable. ❤️

**The sound of music is in the air!** Our preschool children will sing at our 8:30 and 11:00 services on Sunday, May 21<sup>st</sup>. Their artwork for the year will also be on display in the Great Room from May 15<sup>th</sup> through the 22<sup>nd</sup>. They are excited to sing and show how much they have learned and grown; please mark your calendars for this fun event!
