**Our Redeemer's Preschool** is a ministry of Our Redeemer's Lutheran Church. We believe each person is unique and precious - a child of God. Allowing children to experience the joy of learning through both play-based and instructional methods, our ultimate goal is to prepare them for continued success in their education, and in their lives.

We value the natural learning strategies of children:

- Using our **senses** to look, smell, touch, listen and taste.
- Engaging in **play**, imagination and games.
- Using **language and story** to create understanding, build relationships, and explore feelings.
- **Engaging others** in social interaction and collaboration.
- Feeding our **spirit** by experiencing God's love.

Our Redeemer's Preschool, established in 1999, is staffed by experienced teachers devoted to positive early childhood learning.

### Registration

To enroll, please return completed registration form with non-refundable \$100 Registration Fee. **There will not be an extra fee for snacks.**
