

Preschool Newsletter

April 2025

Dear Preschool Families:

This newsletter is early due to changes in the **Preschool Silent Auction timeline**. Thank you so much for all the generous donations provided, we are so grateful for all contributions. Final donations are due at the end of the day, **March 27**. The Preschool Board Members and Director will gather in the Great Room at Our Redeemer's Church at 9:00 AM on **April 1** to put the finishing touches on the baskets and display each one. If you are interested in joining us, please do! It's almost guaranteed we will have lots of fun and laughter. The bidding process will begin **April 6 through Easter Sunday, April 20** after services.

Monday, April 21, the preschool will observe Easter Monday. Please enjoy the long weekend.

Coming in May:

Art Show Our preschool artwork will be displayed in the Great Room May 4-8. Please take time with your child and view all the great projects.

Preschool Singing at Church Services, Sunday, May 18. All preschool classes are invited to sing during the May 18, 11:00 AM service at Our Redeemer's Church. The children will be practicing and preparing for their debut throughout the month of April.

- Families and children are invited to sit where desired at church services. When it is time to sing, the children will be invited up front; their teachers will be present. When they're finished with their song, the students will return to their families.
- During the sermon, all children are invited to attend "Kid Time" (the Sunday School classroom activity), if they like or they may remain with their families.
- Our congregation generously supports our preschool and enjoys the opportunity to interact. This is a great way to express our thanks and let our preschool children shine! Please let me know if you have any questions.

The Family Fun Day at Exploration Works was quite enlightening; there were great activities for student involvement. Thank you so much for joining us. It's always nice to get together outside of the preschool and see the children enjoy themselves (parents too!).

The Preschool program survey will be available in April. Our teachers will include the link in their newsletter. We appreciate your feedback!
